RE: Updates and Dues Invoice

Happy New Year! We hope everyone is staying safe and healthy. Here are some updates from the UMOA that will bring some positivity to your day:

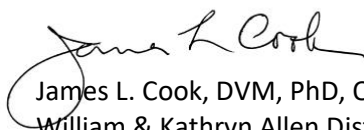

- The shift for **UMOA Research and Education Funding** to programmatic funding for all Resident Research Projects and Educational Opportunities rather than individual funding for specific grants or courses has been a great investment. Check out what our residents having been doing with your support!
<https://medicine.missouri.edu/departments/orthopaedic-surgery/residency/current-residents/resident-research-projects>
- Dr. and Mrs. Gainor have continued to significantly build the **Barry J. Gainor Resident Research & Scholarship Endowment Fund** such that it is making incredible impact on resident research and educational opportunities. Please consider a significant donation to this fund along with your dues payment – University of Missouri School of Medicine, Office of Advancement, One Hospital Drive, DC 205.00, Columbia, MO 65201
- The Mizzou Department of Orthopaedic Surgery has **41 presentations accepted** for the 2021 Orthopaedic Research Society (ORS) Annual Conference.
- The ORS selected Dr. Jimi Cook and the Mizzou Thompson Lab for Regenerative Orthopaedics Team for the **2021 Marshall R. Urist Award**.

Your UMOA dues for 2021 are \$75. Please draft the check to the University of Missouri Orthopedic Association and send it to Dr. Cook's attention at:

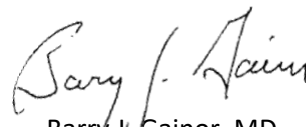

UMOA
Attn: Dr. Jimi Cook
1100 Virginia Avenue MOI 4028A
Columbia, MO 65212

These funds are used to support resident research and education. Check out the completely revamped UMOA website at <https://medicine.missouri.edu/departments/orthopaedic-surgery/orthopaedic-association> to see what all has been accomplished with these funds.

We hope you are all doing well and would love to see you when possible – if you are in Columbia, please contact us for a visit!
