### Second COL Arthritis Research Benefit

*The Second COL Benefit, held at The Old Alumni Center on November 10, 2007, was a great success – raising over \$20,000 for our work! It was an elegant evening with a fun and 'competitive' silent auction of fantastic items, a wonderful presentation by Dr. Wayne McIlwraith, and a great time of socializing for all!*

*We are very grateful to our sponsors for the 2007 benefit:*
