Budgets are based on 10 months (August - May) for all but M2. M1 and M2 students are assessed 18 credit hours per term. M3 and M4 students are assessed 20 credit hours per term. Financial aid for the summer is available for students enrolled during that term. Expenses for computer purchases, daycare for dependent children, major unreimbursed medical or dental expenses, away rotations, residency interview expenses and study abroad may also be added to the budget on an individual basis.
